CAUTION

**WARNINGS:**

Handle with care. May cause irritation of the skin, eyes, mucous membranes and skin sensitization. Keep out of reach of children and animals. Toxic to fish and bees. Do not spray directly onto food or plants. Store away from foodstuffs and feed.

**PRECAUTIONS:**

Do not use in the presence of persons with known sensitivity to pyrethroids. In the case of signs of sensitivity, obtain medical advice. Do not breathe dust or spraymist excessively and avoid skin contact. Do not eat, drink or smoke while mixing or applying or before washing hands and face. Wash with soap and water after use. Prevent contamination of foodstuffs, feed, eating utensils and drinking water. Destroy empty sachet and do not use for any other purpose.

**DIRECTIONS FOR USE: USE ONLY AS DIRECTED.**

To be used in food warehouses, factories, hotels, restaurants, food shops, bakeries, mills, kitchens, dairies, animal housing and similar places where high standards of hygiene must be maintained.

**1. Flies, stable flies and mosquitoes**

Dilute 25 g (one sachet) to 10 ℓ water and spray walls, ceilings and other fly resting sites. For longer control dilute 50 g (two sachets) to 10 ℓ water.

**2. Cockroaches, bedbugs, fleas, ants and fishmoths**

Dilute 50 g (two sachets) to 10 ℓ water and spray all harbourages and areas frequented by pests. Pay particular attention to cracks and crevices. For longer control dilute 50 g (two sachets) to 7,5 ℓ water.

**3. Stored product pests**

Dilute 50 g (two sachets) to 10 ℓ water and spray all walls, floors and ceilings. Pay particular attention to surfaces of bins, cases, etc. For longer control dilute 50 g (two sachets) to 7,5 ℓ water.
